### HM Community Board NEWS

-Town Hall Meeting, March 27, 2024  
The next Hidden Meadows Community Town Hall meeting is Wednesday evening at 6:00 p.m. on March 27, 2024. A representative from PathStone, the organization helping Hidden Meadows through the renewal processes for the two mortgages that form the financial foundation of our community, will be present.

-There are several parts of the process that are important for the whole community to understand and even participate in. These will be clearly explained and there will be time for questions and discussion.

- Clubhouse Pool table

The new pool table is beginning to be a popular gathering place. Tuesday evenings at 6:30 p.m. is the regular pool time but there are other spontaneous times for people to enjoy a game. The last Tuesday of each month has been designated "Pool Party Night." People bring their favorite snacks to share and their own beverages. Come on out and have some fun. Don't get caught behind the 8th ball!

### **Future events**

-Lifespan Rochester will be giving a presentation (SCAM 101) on scams that

often target older people on TUES., 4/2/24 -10:30 - 11:30 am in the Clubhouse. FREE!!!! Lots of handouts!!!  
-The Bergen area will experience an almost total solar eclipse during the middle of the day on Mon., 4/8/24. The suggestion has been made that the upper part of the meadow behind our houses is a good spot to view this fascinating event. We will publicize more details within the next few weeks.

## BAKED

### POTATO BAR

On Valentine's  
Day, 24 HM  
residents  
enjoyed the  
lunch. As the 1st  
time having this  
kind of lunch - it  
was delicious!!!!

Thanks to all  
who prepared  
the food as well  
as cleaned up. We encourage all new  
residents to come to our lunches &  
dinners.

## HM NUTS AND BOLTS

-When you need to dispose of items that  
are too large to place in the dumpster,  
Suburban Disposal will pick them up at  
your home. Call **352-3900** to arrange for  
pickup. Then pile all items neatly near  
your driveway. Suburban will give you an  
approximate date for pick up. How easy  
is that?!

-Your driveway pole light should be 'ON'  
at night! Why? - safety & aesthetics. If  
the light is not working, call Gary Bassett  
(585-245-2010). He will repair it!

-Is it time to replace your furnace filter?  
Or inspect your AC system?

## A LENTEN THOUGHT

Each and all shall render account for  
even our smallest sins before the  
judgement seat of Christ the Lord.
